

Praise for *One Minute Asthma*, 8th Edition

"This new edition keeps abreast of all the new developments in asthma treatment strategies. It is the most succinct and timely advice available to asthmatics of all ages and severity."

Tom Petty, MD, Pulmonologist
Coauthor, *Coping with COPD*

"*One Minute Asthma* presents asthma facts more clearly than any other asthma book."

Paul Enright, MD, Pulmonologist
WebMD.com Asthma Message Board

"This little book contains all the facts that patients need. It is sound, current and complete."

Tom Kallstrom, RRT, AE-C
Member, Coordinating Committee, National Asthma Education and Prevention Program

"A great resource to get family members quickly up to speed."

Michael Welch, MD, Allergist
Editor, *American Academy of Pediatrics Guide to Your Child's Allergies and Asthma*

"This handy guide should be available on the counter of every pharmacy so that patients can see it and purchase it when refilling their asthma medications."

Leslie Hendeles, Pharm.D.
Professor of Pharmacy and Pediatrics, University of Florida

"Easy to read, asthma within everybody's reach."

Fernando Martinez, MD, Pulmonologist
Coauthor, *Wheezing Disorders in the Preschool Child*
Member, NHLBI Expert Panel on Asthma.

"*One Minute Asthma* helps our staff and patients use the same language as we teach and learn about asthma."

Lynne Kite, RN Asthma Nurse Case Manager
Carolinas Health Care Organization

"*One Minute Asthma* helps me explain that triggers are long-lasting and add up."

Gary Brecher, MD, Pediatrician
Germantown, PA

"My patients appreciate the opportunity to learn about the actions they can take to improve the lives of their children."

JoAnn Blessing-Moore, MD Pediatric Allergist
Palo Alto, California.

I use *One Minute Asthma* in my course for graduate students training to be school nurses."

Frances Belmonte-Mann, RN, MA
University of Illinois College of Nursing

"I suggest that every asthma patient in my practice read this book."

Paul Ehrlich, MD, Allergist
Coauthor, *What Your Doctor May Not tell You About Children's Allergies and Asthma.*

"Concisely covers the major points made by the NHLBI Expert Panel on Asthma."

Diane Schuller, MD, Allergist
Past president, American College of Allergy, Asthma and Immunology

"I use *One Minute Asthma* to convince parents that inhaled steroids can safely prevent most of their child's attacks."

G. Bradley Gascoigne, III, MD
Pediatrician, Cleveland OH

"*One Minute Asthma* goes immediately to the critical information patients need to understand and manage their asthma, without being pretentious or preachy."

Chris Wagner, RN, CPCP, AE-C
Past president, Association of Asthma Educators

"Dr. Plaut's contributions to asthma education are clear, concise, and accurate. They have set a new standard for excellence."

Albert Sheffer, MD, Allergist
Chair 1991 NHLBI Expert Panel on Asthma
